SUMMARY

I am an enthusiastic professional ready to make a career switch into front-end development. I have a strong passion for creating intuitive and engaging user experiences and have focused on mastering JavaScript and other essential skills for this role. Along with my technical knowledge, I bring valuable soft skills such as excellent problem-solving abilities, effective communication, and a collaborative team mindset. I am highly adaptable, a quick learner, and have a keen eye for detail. This career change is driven by my deep passion for technology and innovation. I am excited to apply my skills in front-end development.

EDUCATION

JavaScript Program - Alpha 01/2024 - 06/2024

Telerik Academy

- **Core Topics:** JavaScript core, OOP, Data structures and algorithms, JavaScript web, Client-side apps, React.js
